

**Golfer Wins “Hole-in-One Prize” at Heart House Hospice Charity Tournament!**

**Mississauga** - “The odds of me getting a hole-in-one are not pretty high. They go into the stratosphere when it happens on a prize hole.” That was Vince DiRisio’s response yesterday when on the 14<sup>th</sup> par 3 at ClubLink’s The Country Club at Woodbridge his ball trickled into the hole off the tee. “The whole foursome went wild,” said Vince. “Lady luck was definitely on my side today.”

A record breaking 240 golfers raised almost \$90,000 for the end-of-life care work of Heart House Hospice in Mississauga and Brampton.

Rodney Shiga, Vice President Operations at ARAMARK Canada Ltd. and Co-Chair of the Charity Tournament said: “the formula to success is pretty simple; surround yourself with a committed group of committee members and volunteers, good weather, great food/venue, tremendous support from local corporations and small business and above all a wonderful local cause like Heart House Hospice.”

Vince won a Trump Atlantic City Golf Getaway (4 days, 3 nights at the Trump Taj Mahal and 4 rounds of golf at McCullough’s Emerald Golf Links), generously donated by Laurie Williams Pontiac Buick GMC Dealership on Glen Erin Drive.

For more information on how Heart House Hospice advocates for and attends to the non-medical, spiritual, emotional and respite needs of a person’s end-of-life journey or on funding opportunities please contact David Walker, Director of Resource Development at 905.712.8119 x 236 or visit the website at [www.hearthousehospice.com](http://www.hearthousehospice.com).
